May 2022

Dear Sara, Vicki and all at HMP/YOI Hindley and the P.S.C.F,

On behalf of Ronald McDonald House Charities UK, I just wanted to say a huge heartfelt thank you once again for your recent donations. You continue to blow us away with your dedication and compassion and we feel so incredibly lucky to have you as part of our RMHC UK family. Words really cannot explain how grateful we are for such generous support.

You have now raised an incredible total of £7,672.46p, which is not only enough to sponsor one of our bedrooms for a year, but is also more than enough to sponsor our entire 65-bedroom Manchester House for a full day. It costs the charity £25 to provide one night of accommodation, which means the total amount that you have raised is equivalent to an astonishing 266 nights of free accommodation (nearly 9 months) for a family with a child in hospital. That's 266 nights that a family can sleep in a comfortable bed instead of a chair by their child's hospital bed, 266 nights that a family don't have to worry about finding their own costly accommodation, 266 nights that a family can look after their own wellbeing, 266 nights that a family don't have to be torn apart, 266 nights of support from our dedicated House teams, and so much more. Your commitment and passion for supporting our charity, has made a real difference to our families, by relieving a huge burden from parents who are experiencing one of the most distressing situations imaginable.

Not only this, but you went above and beyond, by also donating toys for Christmas and 100 travel mugs for Mother's Day. Families are always so pleased when they receive thoughtful gifts on special occasions because when a child is in hospital, these occasions mean even more. Something as simple as a travel mug, to be able to take a nice warm brew onto the ward instead of in a paper cup, makes such a difference, and lets our families know that others are here to support them.

As an independent charity, we couldn't do what we do without the support from people like you, who go that extra mile to help us keep all of our 13 Houses open across the UK, just like the Manchester House. Your generosity will help to ensure that we can continue our mission of supporting thousands of families for years to come.

Thank you again for thinking of us. You are truly inspiring and should be so proud of what you have accomplished! We can't wait to see what we can achieve together in the future ❤️

Best wishes,

Philippa Bradbury
